Miss Margaret Doris Ermis, daughter of Mrs. John Ermis of Route 4, Cameron, has recently received her nursing cap from Hillcrest Memorial Hospital School of Nursing, Waco.

Miss Ermis has completed six (6) months of preliminary nursing in the school with affiliations in Baylor University.

Miss Ermis will graduate from the Hillcrest Memorial School of Nursing in September 1950.

## SENIORS WILL GET DIPLOMAS TUESDAY

Graduation exercises for the Senior Class of 1948 were announced in detail here late Monday by Morgan Layfield, Principal of Yoe High School.

The Commencement Sermon program will be held Sunday evening, May 23 at the athletic field and Rev. L. L. Morris, pastor First Baptist Church, will deliver the address. Graduation exercises will be held on Tuesday evening, May 25 at the athletic field.

The ranking students of the class, five leaders, will have places on the Commencement program. There will be no other speakers.

The Senior Class of 1948 has 83 members and they will receive their diplomas Tuesday night.

## No New Candidates As Deadline Comes In District Races

No new candidates filed as the deadline came in district races here. W. A. (Bill) Morrison is unopposed as a candidate for District Judge.

In the races for Representative Frank M. Haley of Rockdale and Henry Lehman of Giddings are the only two seeking the nomination in District 65.

In District 64 A. N. Green, the incumbent, H. F. Paschal of Milano and Fred Jackson of Maysfield, make up the race.

For state senator there are three candidates: Senator Kyle Vick, seeking re-election; Sam Sellers of Waco and Orville Jobe of Waco.

## Christine Michalka Valedictorian Of 1948 Graduates

Christine Michalka is the highest ranking student in the Senior Class at Yoe High School this year and is to be Valedictorian at graduation exercises.

T. J. O'Neill is second ranking student and is the Salutatorian of the class.

Miss Michalka is the daughter of Mr. and Mrs. Frank Michalka and Mr. O'Neill is the son of Mr. and Mrs. Ray O'Neill.

Martha Black, daughter of Sheriff and Mrs. Carl C. Black is the third ranking Senior. Susan Rosson, daughter of Mrs. Ruth Rosson is fourth ranking Senior and Billy Hanes, son of Mr. and Mrs. W. T. Hanes is the fifth ranking Senior. All will have a part in graduation exercises. Five other Seniors were exempt from final exams because of their high standing, making a total of 10 outstanding graduates.

## Big Tomato Stalk Has Tomatoes; From Shirley Farm

The Magic Soil of Central Texas, (Milam county, that is) has brought forth some great production.

Right now with the tomato crop important both to eat and to sell, a fine stalk with 9 tomatoes was brought in early Monday by E. S. Shirley of Hoyte community.

The tomato stalk on display at The Herald has 9 large tomatoes and some of the tomatoes are ready to market.

Mr. Shirley has 3 acres. He says that marketing will begin next week on a small scale. The main crop movement will start about June 1.

The recent rains has made the crop a fine prospect and a money maker.

## Car Stolen Here Is Found In Ditch Near Rockdale Monday

A Chevrolet sedan owned by Mr. and Mrs. Jesse Strickler of Ben Arnold was found early Monday morning overturned in a ditch near Rockdale, it was reported by Sheriff Carl C. Black.

The car a 1940 model was stolen from the Strickler apartment at 213 East 3rd street in Cameron Sunday night around 8 o'clock. Mr. and Mrs. Strickler were visiting Mr. and Mrs. Archie Prokash at the time of the theft of the car.

## Two Eggs In one Is Latest Hen Stunt; Quite A Curiosity

August Horstmann brought an egg to The Herald late last week that appears to be most unusual.

It is a two in one egg. Now, don't get us wrong. There is one egg with a shell inside another egg, both with shells. One often sees eggs with 2 and sometimes but rarely, 3 yolks.

The Magic Soil Belt has produced a super-duper egg, two eggs in one and both have shells. The egg has been broken but its formation is easy to see.

August said he would like to claim ownership of this hen but Mrs. Horstmann says no.

## IWO JIMA MARINE HERO BACK HOME FOR BURIAL

(From the Daily)

Pfc. Edwin Edward Kuzel, United States Marines, who was killed in action in the violent fighting on Iwo Jima in the Pacific on March 11, 1945 will be buried Sunday, May 15 in the cemetery at Corinth.

The Corinth cemetery is located near the Kuzel home overlooking Little River valley south of Buckholts.

The body of the Marine hero arrived over the Santa Fe at 3:27 a. m. Saturday, May 15 and was taken to the Marek-Burns Funeral Home where it will remain until services Sunday.

Pfc. Kuzel was the son of Mr. and Mrs. W. E. Kuzel of Corinth community. Mr. Kuzel is former Commissioner of Precinct 1. Young Kuzel left the farm in the early stages of the war and enlisted in the Marines. He saw combat duty on a number of fronts and lost his life in the final stages of the battle to crush Japan. The Marines landed on Iwo Jima in March, 1945. The Japs defended the tiny island with almost 100 thousand men. It was taken for an air base for the big bombers shuttling across to Tokyo and other target sites of the Japanese mainland.

The body of Pfc. Kuzel was recently returned for burial in his native land. He was 22 years old.

Funeral services will be held from the Marek-Burns Funeral Home in Cameron at 2 p. m. on Sunday, May 16, followed by services at the grave at Corinth. Rev. George J. Duda, pastor of St. Monica's Catholic church in Cameron, will conduct the services at the cemetery.

A military funeral will be held with the American Legion at Buckholts, conducting. Pall bearers, all members of the Legion Post at Buckholts are as follows: Willie Dudik, Benjamin Zajicek, Fred Gressak, Johnie Tomascik, Frank Tomascik and Clinton Grimm.

Surviving are his parents: Mr. and Mrs. W. E. Kuzel of Buckholts, three brothers, Delphine Kuzel, William Kuzel, Norman Kuzel, all of Buckholts; two sisters, Mrs. Antonio Rindorf, Waco; Mrs. Stephanie Ludwig of Minerva.

## H. H. COFFIELD BUYS HOUSTON WAR PLANT

Sale of the government-built plant at 4600 Clinton Drive, operated during the war by Reed Roller Bit Company, and known as the Reed transmission plant, was announced by the War Assets Administration Wednesday.

H. H. Coffield, Rockdale, was the purchaser, and the price was \$677,777 in cash, the W. A. A. stated.

The property was officially designated as Plancor 537. It consisted of a number of buildings, for manufacturing, warehousing and offices.

The Veterans Administration is now using the office space and Reed Roller Bit Company has part of the other buildings under lease, as has the Navigation Instrument Company.

The W. A. A. quoted Coffield as saying he planned to use the property as a general warehouse. The government reserved the right to take the plant back in the event of a national emergency.—Houston Chronicle.

## Candidates Reminded To Observe Dates Left On Calendar

The following dates are important to be observed by candidates and prospective candidates:

Saturday, June 19 is the last day candidates for Precinct and county offices may file for the ballot.

The County Executive Committee meets on Monday, June 21 to fix filing fees, name Election Managers, draw for places on the ballot and arrange for its printing.

Saturday, June 26 is the last day candidates may pay their ballot fees. All candidates who have legally filed will be notified of the amount due.

Forms for filing may be obtained from the Chairman, J. B. White, Cameron, Texas.

Rev. and Mrs. W. L. Hightower of Staples and J. Lane Denson, Jr. of Austin visited in the home of Mrs. John Denson last week.

## VETERANS WILL BUILD HERE

## JERUSALEM CAPTURED BY ARABS

## CURRY SCHOOL STUDENTS HERE

## \$8000 STRUCTURE IS VOTED TUESDAY NIGHT

Cameron Veterans, members of the American Legion and Veteran of Foreign Wars will build soon in Cameron.

At a joint meeting Tuesday night the War Veterans voted to construct a building 30 x 70 feet at a location yet to be determined. The building would not only house the activities of the veterans but would serve as a club room and give them a kind of quarters they have always wanted.

Roy Vaughan, member of the Legion and VFW, told the Daily Herald about the action of the veterans last night.

While the plans are in an early stage they have been in the making for some years.

## UNDEFEATED YOEMEN TAKE BASEBALL TITLE

The Yoemen finished their 1948 baseball season here Tuesday afternoon when they handed the last place Taylor Ducks a 18-5 licking.

The Yoemen dedicated the game to Coach 'Red' McLerran and chalked up their 13th win of the season with all three pitchers, M. Garcia, Matula and Wilkerson taking a turn on the rubber.

Garcia started the game and gave up three hits in the pair of frames he worked. He was relieved by Wilkerson, who whiffed seven out of the 12 batters to face him in the three innings he pitched. Wilkerson was not touched for a hit and neither was Matula, who chunked the last two innings for Cameron.

The Cameron scoring came with one in the first, nine in the second; in the third and the fourth it was two runs each, and a single tally in the sixth.

Taylor scored four of its runs in the second on three hits, a walk, and a pair of errors. The other tally came in the last inning on three walks and an overthrow.

Wilkerson was elected captain of the baseball club. The team will be the same next season with the exception of Garcia and Hanes.

## Baylor College Speaker

MRS. HELEN THAMES RALEY

Mrs. Helen Thames Raley, Shawnee, Oklahoma, will be guest speaker at the Alumnae program of Mary Hardin-Baylor College on May 22 at 11 a. m. in Alma Reeves chapel. Mrs. Raley, wife of President John Wesley Raley of Oklahoma Baptist university, is a former student of Mary Hardin-Baylor. Her topic for the program is to be "A Little Glory in the Heart."

Mr. and Mrs. Clint Bollinger of Bentonville, Arkansas are the proud parents of a baby son born at Bates Memorial Hospital in Arkansas, May 7, 1948. The baby has been named Ronald Clint Bollinger and weighed eight pounds and five ounces. Mrs. Bollinger is the former Dell Kirk of Cameron. She was formerly employed with the Newton Clinic here.

## 125 STUDENTS AND TEACHERS IN CITY

Curry School Students, Sponsors and Teachers 125 of them, are in Cameron to-day (Wednesday) to enjoy the hospitality of the city and to spend the day. The occasion is their annual picnic.

The students from Curry arrived in the city around 10 a. m. and began their day of activity. The program for the Curry School will follow much the same routine as other school programs. They are being escorted over the city by L. G. Smith, Manager of the Chamber of Commerce.

Curry has brought the largest number of students to the city of any school this year.

The students, their teachers and sponsors, will enjoy their picnic in Wilson-Ledbetter Park. Before going to the park at noon they were escorted over the city and saw all the places of interest.

A special feature of the visits here of the schools is a copy of The Daily Herald with the names of each student, their teachers and Sponsors.

The Curry School, next door neighbor to Cameron schools, was given a fine welcome here Wednesday morning.

The program of entertaining the school children is part of the public relations committee work of the Chamber of Commerce of which E. C. Cole is Chairman.

The Curry students saw a number of local industries and public buildings, banks. They were especially pleased over the picnic program in the park. The Municipal Swimming (turn to page six)

## EARLY MORNING REPORT SAYS JEWS SURRENDER

(From the Daily)

Jerusalem was captured by the Arab armies of King Abdulla of the Trans-Jordan Moslem forces, early Wednesday, it was said in an early news cast.

Heavy fighting began around the ancient city of Bible significance two days ago and when the heavy artillery of the Arabs was brought into play on the city the Jews capitulated, it was said.

A later report said that Jewish forces outside the city had fought their way back in and joined the forces not yet ready to quit. The picture was somewhat confusing but it was regarded as certain that the Arabs would capture the city.

This will be a heavy blow to the Jews. Meanwhile the United States was demanding United Nations action but indications were that no armed forces would be sent to stop the war.

Politicians make covenants and break them as fast as trap shooters bust clay pigeons. The United Nations Security Council is now just as effective as the League of Nations.

Tel Aviv, the Jewish Capital was under its worst air attack of the war with Egyptian dive bombers killing many civilians.

The city of Jerusalem has been and still is partially occupied by Jews and Arabs. The fighting is going on in the Jewish quarters of the city.

## WACO BUSINESS MEN DUE HERE ON JUNE 2

Approximately 60 Waco businessmen, traveling on two special buses, will arrive in Cameron at 12:45 p. m. Wednesday, June 2, on their annual goodwill tour to advertise the Baylor Bear Club Rodeo.

The Lone Star Playboys and Bob Walker of Radio Station WACO will present a free musical entertainment program at a central location in the downtown district, and the Waco trippers will distribute souvenirs to the audience.

This year more than 50,000 persons are expected to attend the Bear Club Rodeo, third largest rodeo in Texas. All performances will be presented at night, June 21 through June 27, with the same rodeo stock to be used later this year in Madison Square Garden.

## Boys Town Founder Dies In Berlin; Was Well Known Here

Father Edward J. Flanagan who founded a home for boys near Omaha, Nebraska, which became world famous as a haven for bad boys and was known as Boys Town, died in a Berlin Hospital, early Saturday, May 15.

Father Flanagan was well known in Cameron and many here have from time to time supported his great work among boys. He was 61 years old.

## SHOW WILL BE MORE ELABORATE THIS YEAR

(From the Daily)

Many interesting and beautiful arrangements are expected to be entered in the second annual flower show to be sponsored in Cameron by the Delphian Club on Tuesday, May 26, in the basement of First Methodist Church. The show will be open from 2 until 7 p. m. and any person interested is invited to attend.

There will be no admission fee. The co-operation of local flower growers is urged in order that a worthwhile show may be offered. Last year, there were about 150 entries in the various classifications, and more are solicited for this year. Clubs and organizations, men and children are invited to submit exhibits and arrangements, as well as the women. Plants and vegetables arrangements, a specimen division for single perfect flowers and plants, inspirational exhibits, miniatures, mementos, potted plants, bottle top arrangements, annual and perennial, and bulbs, tubers and rhizomes will be judged. Exhibitors will be given in each division and there will only be one prize this year, the sponsoring club has decided. The outstanding arrangement of the entire show will receive a gold ribbon and an award chosen by the club.

Mrs. Howard Baskin, general chairman for the show urges the participation and co-operation of Cameron citizens for the success of this show. Most of the larger cities are holding Spring flower shows at this time and are drawing large crowds.

Judges will be from Temple, representatives of the three garden clubs, Mrs. A. E. Collier of Temple Garden Club, Mrs. T. Wayne Gossling of the Spade and Shovel Club and Mrs. J. W. Martin of the Sun Brown Garden Club.

Entrances must be placed for the show on Tuesday morning or before 1 p. m.

## TEMPERATURES WILL DROP SLIGHTLY HERE

Look for cooler temperatures tonight and Tuesday in Cameron and central Texas.

A cold front dropped into the Lone Star State out of Oklahoma late Sunday and rain had fallen over a wide area of the Panhandle and north plains.

Rain was in prospect for this area also but no radical change is to be expected. It is due to be around 60 degrees at night and in the eighties during the day Tuesday. Excessively high temperatures prevail here Sunday.

## THEY ENJOY PICNIC AND TOUR OF CITY

Elm Ridge students are in Cameron to-day to enjoy their annual picnic and to be guests of the Chamber of Commerce.

Early Friday the students, their teachers and bus driver reported to the Chamber of Commerce and they were driven to the interesting places in the city.

The picnic was to be held in Wilson-Ledbetter Park where many ar-

rangements had been made for the entertainment of the visitors. The municipal swimming pool is now open and students were welcome to take a plunge. The picnic lunch was spread under the trees bordering the lake and it was a happy day for the students who are soon to complete their last semester in school.

L. G. Smith of the Chamber of Commerce and E. C. Cole, Chairman of the Public Relations Committee, were actively in charge of host duties for the day.

The students are taken to a number of places of interest, including

public buildings. They visit a bank and they see the afternoon edition of the Daily Herald run from the press and each student gets a free copy with their names and the names of their teachers and sponsors.

The program of entertaining school children has evoked comment in the East Texas Chamber of Commerce magazine. The idea is brand new and it was estimated that some 500 students will have visited the city when the program is over.

Here is the list of the students, their teachers and driver:

### ELM RIDGE SCHOOL Students

Betty Grace Varner, Mary Ann Pilling, August Reimer, Mary Joe Varner, Anna Marie Simank, Dickey Simank, Manuel Garcia, Evangelina Garcia, Joe Garcia, Louise Reveille, J. L. Smith, Johnny Smith, Jessie Smith, Louise Vessell, Earl Armstrong, Perry Armstrong, Mary Elverio Coronado, David Coronado, Manuel Barbees, Moses Salasar, and Mike Salasar.

Teachers—Mrs. Nora McKinney and Mrs. J. C. Cauthen.  
Driver of Bus—Mr. Rogers.

Mr. and Mrs. Lincoln Barber and their two sons, Lincoln III and Bruce spent Mothers Day with her parents, Mr. and Mrs. Owen Weems. They were accompanied back to their home in Jacksonville by Mrs. Weems who plans to spend several days.

Mrs. Walter Mullinnix of Baton Rouge has concluded a visit here with her mother, Mrs. Mary Garrett and sister, Mrs. Dan Lunsford of Cameron. Her many friends welcome her visits.

## Gonzales Seeks To Absorb Schools; To Stop All Transfers

Gonzales, May 12 — In a move frankly aimed at forcing the common school districts of rural areas to join with the city system and share the tax burden, trustees of the Gonzales Independent School District have voted to deny admission of rural children who live outside the district, next fall.

The move came to light when County Superintendent G. E. Bradley was informed that the Gonzales Independent School District "does not intend to accept transfers for the 1948-49 school year and thereafter from territory eligible for annexation to the school district."

Consequently, Bradley dispatched 45 letters this week notifying families with school children of the decision and also notifying trustees of dormant districts and those who operate only elementary schools.

One of the first repercussions came when Luther Goss resigned as chairman of the Belmont common school trustees. An avowed opponent of annexation to Gonzales, he rebelled when the other two trustees, L. D. Brown and Dale Brown, voted in favor of it.

An election has been called for June 1, at which time the Belmont taxpayers will vote on annexation. Belmont operates no schools, but has been sending its children to Gonzales.

The Hillside-Rupert Common School District also has no schools, but no action has been taken on call-

THE CAMERON HERALD

MAY 20, 1948

ing an election there.

Other affected districts include Dreyer, whose school goes through the sixth grade; Dilworth, which ends with the seventh grade, and Bebe where the elementary classes carry through eight grades.

Waelder also is affected, since high school students in the south end of that district have been attending Gonzales High School because it was nearer than their own home school.

## Two Cameron Girls Take Part in Hearne Alfalfa Fiesta

Cameron is being represented in the Hearne Alfalfa Fiesta today. Miss Helen Reichert is in Hearne as the "Sweetheart" and Miss Martha Lee Werner is the "Bathing Beauty."

Both Miss Reichert and Miss Werner participated in the parade through Hearne this morning and will be guests on the Alfalfa tour beginning at 3 p. m. this afternoon.

Miss Werner will participate in the Bathing Revue this afternoon at 5:30 p. m. and will wear a lovely new red Gantner Glo Bathing Suit furnished through the courtesy of the Specialty shop in Cameron.

Miss Reichert will participate in the crowning of the Queen at 8 p. m. and will be escorted by Wayne Perrin. Miss Reichert will wear a peach marquisette formal evening dress.

## Hickman's New Ice Station Is Open; Groceries Added

Joe Hickman announced to-day that his new ice station is open and that he has added a line of groceries.

A new building located at the corner of West 3rd Street and North Crockett has just been completed, a very modern and attractive station. Mr. Hickman has changed the name to the Hickman Ice Station. It was formerly the Cameron Ice Station.

Mr. Hickman, a war veteran, is an experienced ice dealer and his station is very popular and enjoys a fine business. The station will be open every day in the week, from 6 a. m. to 10 p. m. including Sunday. The station and store will be open until 11 p. m. on Saturday.

Jeff Cammer is among the patients in Newton Memorial Hospital.

## AUSTIN CONGRESSMAN ENTERS THE BIG RACE

Congressman Lyndon Johnson of Austin Thursday entered the race for United States Senator.

Mr. Johnson seeks the place now held by W. Lee O'Daniel and his name in the hopeful column now makes three. The others are George Peddy of Houston and Former Governor Coke Stevenson.

Senator O'Daniel before leaving for Washington said he had not yet reached the stage where he would announce his political intentions.

Johnson was a candidate for the Senate in 1942 and was nosed out by O'Daniel. He was running with the blessings of the late President Roosevelt.

We never could understand why you had to ask for her hand when you already had her heart.

T. J. Faver of Houston spent the week end with his family in Cameron.

## The Importance of "Stepping Down"

Here is the story of a new principle of design that has rocked the industry and given Hudson unique beauty not possible in any other type of car.

THE recessed floor in the new Hudson—now widely known as the "step-down" feature—is the talk of the automobile world. And rightly so! This interesting development is the key to a new kind of motor-car beauty never before obtainable.

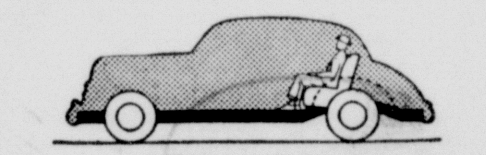

People everywhere are attracted by Hudson's low, streamlined silhouette and free-flowing lines.

Only Hudson, because of its exclusive recessed floor that you step down onto, is able to offer streamlined, low-built beauty without asking you to give up interior head room.

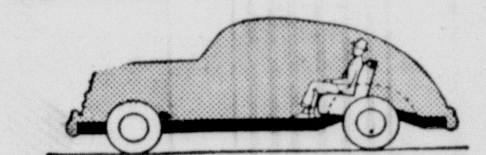

Let's take a frank look at the motor-car designer's problem. Since streamlining an automobile reduces available head room for rear-seat passengers, to achieve a low silhouette and maintain adequate head room, both floor and seats must be lowered to compensate for the lowered roof. The recessed floor is a necessity.

But it is difficult to lower floors and seats, because in all cars, except Hudson, they are built on top of a frame. Only

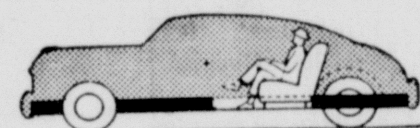

Hudson has a new, all steel Monobilt body-and-frame\*, part of which is a rugged base structure that permits lowering floors and seats down within the frame. The sketches below illustrate this design problem and show how Hudson's recessed floor provides a low, streamlined silhouette, yet preserves head room.

OTHER CARS  
The car above cannot be streamlined because the need for head room above the rear seat (which is built on top of a frame) makes it impossible to lower the roof.

OTHER CARS  
Of course, it is possible to adopt free-flowing lines without recessing the floor, as sketched in the car above, but over-all height must be raised, and this destroys the possibility of a low silhouette, which is the mark of the modern motor car.

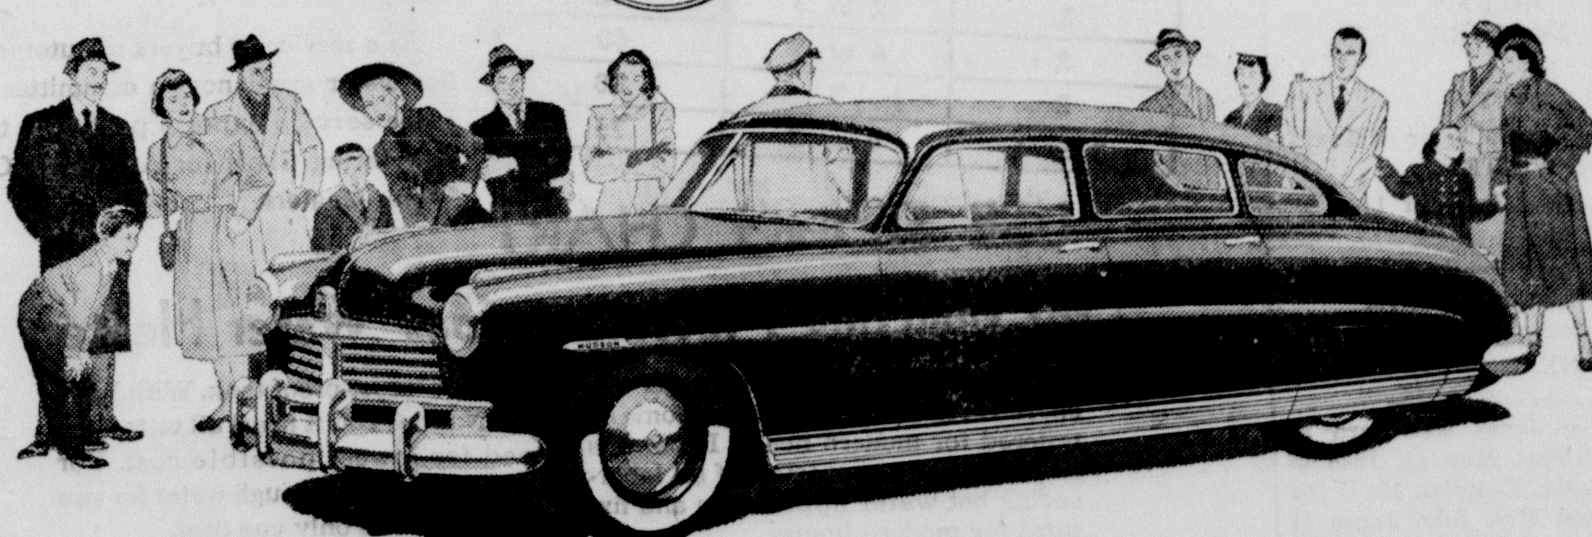

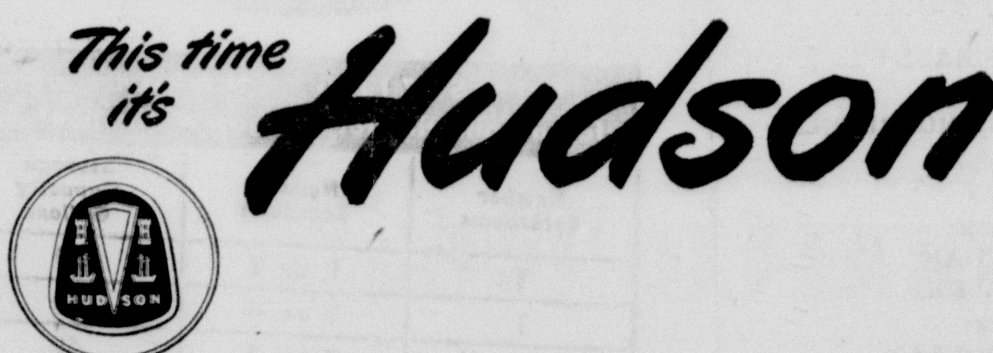

NEW HUDSON  
Here is the long, low, gracefully streamlined Hudson—only five feet from ground to top. You can see how the streamlined roof comes down sharply over the rear-seat portion of the car, as compared to the other types of roof lines shown in sketches to the left. But Hudson floors are recessed down within the frame, seats are lowered, so you get more than ample head room.

The "step-down" principle requires years of engineering work, the development of new production techniques and equipment, and millions of dollars of highly specialized new plant investment. Perhaps this explains why Hudson alone offers this vital new design principle today.

You'll probably expect the motor car that is the talk of the nation to offer you even more than beauty and comfort. And it does! Your nearby Hudson dealer will show you The Importance of "Stepping Down"—also its results in riding and driving ease, performance and safety. Hudson Motor Car Company, Detroit 14.

THERE'S a big day coming soon—the day when you get your diploma. By enlisting in the Army or Air Force after graduation you can take full advantage of one of the finest opportunities ever offered a young man.

## CHOOSE YOUR FIELD OF SPECIAL TRAINING BEFORE YOU ENLIST!

If you are 18 to 34 (17 with parents' consent) and a high school graduate, you can select your course of training in the Army or the Air Force before enlisting.

Under the Army Technical School Plan you can specify two different courses that appeal to you in each of two fields. The Army will check to make sure there is an opening in one of the four courses you have selected, and a place will be reserved for you in that course. Then you enlist for 3, 4 or 5 years, and after passing the physical and mental examinations and completing basic training you will be guaranteed training in your chosen field.

The Air Force offers a similar opportunity in its Aviation Career Plan, giving you a pre-enlistment choice of 3 among the more than 40 USAF Specialist Schools. There is no better way to get a start in the great and growing field of aviation.

Either plan gives you good pay, excellent training and a splendid chance for advancement in a real career. You can get full information, including lists of available Specialist Schools and Technical Courses, at your nearest Army and Air Force Recruiting Station.

## To Men with 2 Years or More of College WIN YOUR WINGS with the Aviation Cadets

If you are single, 20 to 26½ years old, physically sound, and have completed at least 2 years of college or the equivalent, you may be qualified for pilot training as an Aviation Cadet. Get full details now. Next class starts July 1, 1948.

## CITY CONTINUES HOST DUTIES TO STUDENTS

Students, teacher and sponsors from the Vogelsang School arrived in Cameron shortly before ten o'clock Tuesday morning to spend the day on their annual picnic.

The Chamber of Commerce through its manager L. G. Smith, and E. C. Cole, Chairman of the Public Relations Committee, made the students and teacher and sponsors welcome. They began a tour of the city and were to see a number of local plants and industries before

they go to Wilson-Ledbetter Park for their picnic lunch.

The students will take up their tour later in the day and will visit other places of business and will be at the Herald plant around 2:30 p. m. to see the Midget Press in operation.

The Cameron Daily Herald, only such newspaper in the country, has its own production unit, a Babcock Press and the edition is run off each afternoon around 3 p. m. and one of the co-operative programs comes from the Publishers who welcome the students to the plant.

Each student will receive a free copy of the Little Daily in which their names are printed.

The entertainment of students this year is a new thing in better Chamber of Commerce activity and public relations. Before the program ends some 500 students will have visited the city and spent the day on annual picnic.

Below will be found the names of the students, their teacher and sponsors:

## BASEBALL CROWN WON AT KILLEEN THURSDAY

KILLEEN, May 13—The Cameron Yeomen came through like a gimlet through Swiss cheese today, knocking off the Killeen Kangaroos 3-1 for their 12th consecutive win of the season and the District 23-A championship.

This gives the Cameron school a clean sweep of titles in all four major sports—football, basketball, track and baseball.

Killeen hit the dust on Bobby Wilkerson's one-hitter, and the score nearly was 5-1—in the fifth inning, Maggo Garcia, shortstop, doubled in the third on two hits and a Kangaroo error.

The tilt was scoreless for two innings, and then the undefeated Yeomen worked a man across the plate in the third on two hits and a Kangaroo error.

The other two tallies came in the fifth on a barrage of hits.

Lee pitched for the losing club, striking out 11 batters and giving up seven hits. Two Yeomen, Fox and Matula, were whiffed three times straight.

Lee drove in Killeen's lone run in the fifth, belting a double with two

on, one on a walk and the other on a fielder's choice.

Second Baseman Billy Hanes led Cameron batters with three safeties in four trips, and Pfardrescher, third baseman, hit twice in four tries. Gibson's single and Wilkerson's double were the other two Cameron hits.

## Baptist Pastor Is Home From Seminary

Rev. L. L. Morriss, pastor First Baptist church returned home after attending Southwestern Baptist Theological Seminary at Fort Worth. He returned to his church each week end to deliver the week end sermon. Rev. and Mrs. Morriss both have been students at the Seminary and returned to their homes May 7.

Rev. Morriss was a busy pastor while attending school. He maintained a well rounded church program filled with activities, pastored the rapidly growing church here and ministered to the needs of his members at all times. In addition to his duties as pastor he served as District Training Union Director and Moderator of the Milam County Baptist Association which is composed of 28 churches.

## CAMERON IS HOST TO FALLS CO. STUDENTS

Cameron was host Thursday to students and teachers and sponsors from the Hamilton School in Falls county.

The students arrived in the city around 9 a. m. and were received at the Chamber of Commerce. Advance arrangements had been made for their entertainment.

It is the annual picnic of the students from the First Grade through the Sixth grade. There are 25 students, one teacher and four sponsors.

Their first activity of the day was a picnic in Wilson-Ledbetter Park. Many took advantage of the municipal swimming pool. The Chamber of Commerce had provided ice water and other accommodations at the park.

The school is one among a number already enjoying a picnic program in Cameron, a part of the current program of the Public Relations Committee of the Chamber of Commerce.

The program for the Hamilton students and their teachers and sponsors followed the pattern of the other schools here. After the picnic a round of pleasure by visiting all parts of the city and seeing the places of interest.

The students were received at The Herald to see the afternoon edition of the Daily Herald run from the press. Each student was given a copy free. The issue contains the names of the students, their teacher and sponsor.

Here are the names of the students, teacher and sponsors:

## BRITISH WILL QUIT PALESTINE FRIDAY

The British Mandate in Palestine will end at 4 p. m. on Friday.

The Jewish forces had summoned every available man and woman to fight the Arabs and were quoted as ready to proclaim a Jewish State in the Holy Lands.

A full scale war was in prospect. The British will withdraw from Palestine in line with previously announced intentions. This will leave the country without support from a major power.

Other developments on the International scene was a flat rejection by Secretary of State Marshall of a proposed conference between the United States and Russia.

Foreign Minister Molotov in a statement to Ambassador Smith in Moscow said the policy of Russia toward the United States has been and will continue to be "one of peace loving and collaboration."

The United States is proceeding with caution if not incredulous attitude.

Mr. and Mrs. Giles L. Avriett and Don Marie of Austin were Cameron visitors last Sunday.

Miss Lucille Dickard of Austin spent Mother's Day with Mr. and Mrs. W. O. Triggs. Miss Dickard formerly taught school here.

## Mother's Day Reunion By Hooker Family At Sam Deer Home

Mr. and Mrs. Sam Deer, entertained with a barbecue dinner Sunday, May 9, Mother's Day at their lovely home, at 900 West Main St.

Her brothers, sisters and their immediate families honored their mother, Mrs. Chas. E. Paul of Marlin, Texas. This reunion being the first of its kind in the Hooker family was planned by Mrs. Paul's children as a surprise to their mother. Cameron was selected as the meeting place because it has been the home of most of them in their childhood.

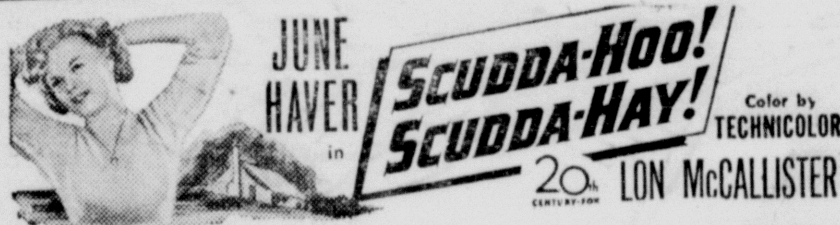

Mrs. Paul wore a beautiful dress of Tea-Rose georgette, with a white corsage of carnations at her shoulder, given her by her first grandson, Prothro Deer, and purple Iris for her hair given her by another grand son, Grady Allen Scott.

All Mothers present wore corsages suitable to their gowns, given them by their children. Mother enjoyed the day very much as all children, grandchildren and great grand children were present, as well as her husband, Chas. Paul. Mrs. Paul's children present were: Mrs. Roy Fulton and husband of Smithville, her son, wife and two daughters of Houston, Mrs. Sam Deer and husband and children, Prothro Deer and wife of Hebronville, Edna Merle Greenless and husband and two sons of Freer, George H. Deer and wife of Freer, Mrs. Alfred Norquist, daughter and grand daughter of Temple, Mrs. Godfrey Jennings, her three sons, daughter in law and grand daughter of Kossee, George D. ## EXECUTIVE IS CHEERED IN WASHINGTON SPEECH

WASHINGTON, May 14—President Truman told a cheering democratic rally tonight that he will be elected in November despite "calamity howlers" and republican "obstructionists."

In an "off the cuff" speech to a dinner of the young democrats of America, he accused the G. O. P. of blocking liberal legislation and asserted:

"I want to say to you that during the next four years there will be a democrat in the White House, and you are looking at him."

This assertion brought the dinner guests at Mayflower hotel to their feet with applause and cheers.

Democrats, he asserted, have always met situations where the welfare of the "common, every day man" were involved, while republicans have been "obstructionists" for the last 15 years.

He said they threw "bricks and mud" at Franklin D. Roosevelt, whom he described as "the greatest president who ever sat in the White House."

The republicans, Mr. Truman said, are against social security, against the Tennessee valley authority, against the wage and hour law and against the foreign problem.

In a strictly political speech before a party audience the president spoke from notes and without a prepared text.

Mr. Truman said he had often wondered what "so called" liberal republicans think about. He said they are used for speeches during elections, but that after the voting is over they are ignored.

An earlier speaker, Senator J. Howard McGrath, democratic national chairman, praised the president's recognition of the newly-created Jewish state in Palestine. McGrath called it a "brave act" and said "God bless him for that."

## Dr. Newton Will Be Home August 6; Gets 30 Day Blood Credit

Dr. W. R. Newton will be home August 6. He has been given a 30-day commutation for a blood transfusion to another prisoner at Huntsville.

Governor Jester on Tuesday approved the recommendation by the Board of Pardons and Parole. He gave the blood on April 20. The governor approved two transfusions on January 15 but not until an exhaustive investigation had been made. He wanted to make certain that Dr. Newton was not being given any advantages.

Governor Jester declined to give Dr. Newton a conditional pardon on March 9. The Board of Pardons and Parole recommended the pardon. The governor had previously declined a 30 day parole to permit the surgeon to perform an operation.

Dr. Newton's two year term was due to be completed on September 6 if he was credited with all possible good time. The commutation of Tuesday will make his release date August 6th.

Johnnie Tucker is spending his 21 day furlough in Cameron with his relatives and many friends. He joined the army a few months ago and is stationed at San Antonio.

## Didn't Get Away

J. L. CALLOWAY

Mr. Calloway caught this Black Bass the other day at the Milton Faulkner Spring Lake near the city. The bass weighed 6 and a quarter pounds. This picture was made by the B & B Studio. Mr. Calloway, a war veteran, is with the McLane Company in Cameron and has been with the wholesale firm for years.

Mrs. L. G. Roberts and Mrs. P. W. Davis visited Vernon Roberts in Scott and White Hospital in Temple last week.

Jackie Robinson son of Mr. and Mrs. A. L. Robinson of Cameron is ill and a patient in St. Edwards Hospital.

## STALIN MAKES BID FOR CO-OPERATION

Russia has recognized the Republic of Israel.

Joseph Stalin, dictator, has announced that he is willing to follow the recommendations of Henry Wallace toward collaboration with the United States and looking to peace.

The government in Washington was said to be leery of the Russian bid. No doubt the Reds feel that a Democratic statesman can be duped anytime with the word 'peace.'

Any disposition on the part of the United States to stop re-arming would give Russia a chance. Also it would slow down the Marshal Plan.

Andrew Gromyko, Russian Ambassador, called home to Moscow, addressed the session of the UN Monday and called for joint action in Palestine. He called upon the Security Council to stop the war between the Arabs and the Jews. So far as known this is the only co-operation ever offered by the Red Ambassador.

Russia was either impressed by the Truman foreign policy or fears the imminence of war.

Mr. and Mrs. Jack Cammer and daughter, Sharom spent Mother's Day in Galveston.

## New Moth Proofing Service At Model Cleaners Announced

Tailoring service has made great progress since the old days of the smoothing iron and the scrub board.

Even storage and moth proofing has come on a bit. Now you can have your clothes moth proofed for 6 months and keep them at home. The Hayes Brothers, owners of Model Cleaners, have advertised Monite.

The Monite service is given as your clothes go through for cleaning and what's more there is no extra cost. Such has been the rate at which service has progressed in recent years.

Monite is not new but its use in protecting clothing against moths without extra charge is something new in better service at Model Cleaners. Its Monite insured moth proofing.

Mrs. L. E. Tompkins and Sandra of Hempstead and Mrs. A. L. Gooden of Oklahoma City spent the past week end in the home of Mrs. Clara Brashear of Cameron.

Mr. and Mrs. William Yates and children of Ft. Worth, Mrs. Curtis Berry and baby of Brownwood and Mark Aldridge, Ardmore, Okla., were here to attend the funeral of their grandmother, Mrs. Ida Young.

Friends of H. N. Tate will be sorry to hear he is ill and a surgery patient in St. Edwards Hospital.

Mr. and Mrs. Albert Small of Houston visited in the home of Mr. and Mrs. Oscar Storey over the week end.

## FULL SCALE WAR HITS JEWS IN PALESTINE

Arab air forces were raining bombs on Tel Aviv, the capital of Israel Monday and the Jews threatened reprisals against Cairo as a full scale war was unleashed in Palestine.

There was talk in Washington that the arms embargo might be lifted to the Jews in Palestine. This brought a blunt protest from the Arab leaders who said that the recognition of the Jewish country was tantamount to a declaration of war on the Arabs.

Invasion had begun at several points across the Palestine border.

Dr. Chaim Weizmann was elected President of the Israel Council of Government as the Arabs began their attacks.

The Arabs were in possession of important ports in Southern Palestine and also were said making some headway across the borders from the east. The Jews number about 750 thousand in Palestine while the Arabs number about 50 million.

## Take Your Choice Neighbor!

The missus—who writes our Woman's Column in the *Clarion* under the name of "Nancy Gale"—gets letters about recipes, advice on etiquette, home management, etc.

One letter she got last week was about a recipe she published for Welsh Rarebit—made with tart cheese, Worcestershire, and a cup of sparkling tangy beer. "Turned out great," says her correspondent. "But you didn't mention what beverage to serve with it. Should I serve beer? Cider? Iced tea?"

The missus' answer was simply:

"Any beverage your guests prefer. You don't have to serve cider—any more than you have to serve beer... but it's often courteous to let guests have a choice."

From where I sit, that simple answer applies to more items than Welsh Rarebit. In a world where everyone has different tastes and ideas—we should recognize those differences—and never deny the right of choice to anyone!

## TP&L REPORT SHOWS ENORMOUS EXPANSION

In the annual report for 1947 to stockholders and personnel of Texas Power & Light Company, issued this week, John W. Carpenter, president, tells about the company's expansion program, designed to provide for anticipated continued growth of the territory it serves.

The report reflects steadily increasing demand for the company's services over a period of years during which it was practically impossible to expand its generating facilities, which finally brought about a situation in 1947 requiring utilization of its generating capacity, including all of that normally held as reserve. Wartime restrictions and post-war shortages, it is pointed out had prevented the installation of new generating facilities to maintain customary reserve capacity and not until recently was the company able to make material progress on a long-planned expansion program designed to restore and maintain its moral reserve and provide a margin of power capacity for anticipated continued growth of the territory served. The major portion of this new generating capacity cannot be expected to be in service until late 1949 or early 1950.

The report states that the company's Brownwood power plant is being enlarged by 4,500 kilowatts (6,000 horsepower) and a new generating plant of 1,000 kilowatts (1,300 horsepower) capacity is being built at Clarksville. Installation of the new generators at Brownwood has been completed and the new Clarksville plant is expected to be placed in service in June. Work was started last year on the installation of a 12,500-kilowatt (16,600 horsepower) turbo-generator at the Waco power plant and a 63,000-kilowatt (84,000 horsepower) turbo-generator at Trinidad. These are scheduled to be placed in service in February, 1949, and January, 1950, respectively.

Among the major projects completed in 1947 were three 132,000-volt transmission lines—one from Trinidad to Hillsboro, and another from Jewett to Crockett to Lufkin. A new substation was built at Tyler and improvements and additions were made at other sub stations. The company built 1,278 miles of rural lines during last year.

It is estimated that the company will spend \$30,280,000 on new construction during 1948, 1949 and 1950.

A five-year statistical record in the report reveals that the company delivered to its customers 27 per cent more energy in 1947 than in 1943, the last year it was possible for the company to install new generating capacity. The number of customers served increased ten per cent over 1946 and 38 per cent over 1943, and the company was serving 230,037 customers on Dec. 31, 1947. The average rate paid for the company's service by residential customers decreased 16 per cent between 1943 and 1947.

During 1947, revenues from energy sales to all types of customers increased, the overall increase over the previous year being 12.6 per cent. Operating expenses increased even more sharply, this increase being 15.4 per cent, due primarily to increased payroll expense and greater costs for fuel and power purchased.

At Dec. 31, 1947, the company had 2,522 employees. Total charges to payroll for the year, including construction work, amounted to \$6,354,600, an increase of \$1,367,530 over the previous year.

The report concludes with a statement that industrial establishments served by the company are finding need for increased amounts of electric power to meet growing peacetime production requirements, and that the establishment of new factories, large and small, in the territory served was accelerated during the year.

"Soul and Body" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 23.

The Golden Text is: "What agreement hath the temple of God with idols? for ye are the temple of the living God" (II Corinthians 6:16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "My soul longeth, yea, even fainteth for the courts of the Lord: my heart and my flesh crieth out for the living God" (Psalms 84:2).

The Lesson-Sermon also includes

the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Soul is the substance, Life, and intelligence of man, which is individualized but not in matter" (page 477).
